All further children/grandchildren from 6 to 17 years old pay only 1,00 € each. In order to check the age please show the ID-Card of the children.

Transport of buggies and bicycles:

- ☼ Baby buggies are generally transported. Due to the special design of the electric passenger boats, the space is limited. Folding prams or buggies are thus ideal. Bicycle trailers converted into prams cannot be transported.
- ☼ Bicycles cannot be transported.
- ☼ On days with a high guest rate coming with a big stroller can cause delays in transportation.

Children's play facilities:

There are no children's play facilities on board our electric motor boats. There is a playground behind the St. Bartholomä restaurant.

Catering on board:

There is no catering on board our electric motor boats. You are welcome to visit the St. Bartholomä restaurant, the Königssee Fisherman or the Saletalm restaurant. Alpine breads are also available in the Fischunkelalm or the Almkaser at Salet.

Hiking with kid's buggies:

- ☼ **St. Bartholomä:** The trail along the lake shore (starting behind the restaurant) is well gravelled and flat. Where the Ice Stream empties into Lake Königssee is also reached easily in about 15 mins from the boat pier (the path starts just behind the waiting hall, towards Kärlingerhaus).
- ☼ **Salet:** The path from the pier to the Lake Obersee is also suited to kid`s buggies. The further route to the Fischunkelalm is not suitable for kid`s buggies but is easily manageable for older children. Older children can also easily reach the Röthbach Waterfall.
