

Information for bus drivers, groups and tour guides

Here you will find all the facts about the sailings, the transport of groups, discounts and tips for your excursion.

Nestled between lovely mountains and lush meadows lies Lake Tegernsee, South of Munich. The Tegernsee Fleet connects the shores at Tegernsee, Rottach-Egern, Bad Wiessee and Gmund. Onboard, you have the best views of the landscape around the lake.

With the modern boats MS ROTTACH-EGERN and MS TEGERNSEE (with onboard gastronomy) we offer Grand tours around the whole of Lake Tegernsee. A Grand tour (Lines A and B) is very entertaining and well worth seeing. It takes about 90 – 105 minutes and is especially popular with group travellers.

Bus parking can be found in Gmund Seeglas and at the Bräustüberl in Tegernsee.
