¹⁾ If required we stop for mountaineers at the jetty Kessel. Please inform the boat crew. Mountaineers wishing to travel from Kessel please use the orange sliding panel on the jetty.
²⁾ More frequently when there are lots of visitors.

- The trip to the final stop at Salet can be interrupted in St. Bartholomä once. In order to reduce the waiting time during the return journey, we recommend going first to Salet.
- The fare regulations and conditions of transport of the Bayerische Seenschifffahrt GmbH apply.
- We reserve the right to make changes!
- No toilets on board.
- It is compulsory for all dogs to wear a muzzle, regardless of race or size. Fighting dogs will generally not be transported.
- In case of fog, storm, flood or other unforeseen occurrences, delays or cancellations must be expected.
- Please take note of the depature times of the last boat!

An honest word about waiting times:
 Despite the use of all 19 passenger boats, there may be some waiting times during the summer months in good weather. This can occur on public holiday, but also on the first beautiful day after a rainy period.
 Our tip: Depart before 10.30 am and return before the rush hour (starts around 2.30 pm).
